

Featured Rescue

Joy

1 year old, trained, Golden Retriever
She was saved from a kill shelter in South Texas.
She's a lover not a fighter, unless it comes to sweets.

OUR MISSION

Save-An-Angel's mission is to rescue; network, rehabilitate, re-home & relocate dogs saved from overcrowded shelters and those found abandoned on the street. Our goal is to help the rescued dogs become part of loving families who will love them through all of life's challenges.

We also help save the lives of dogs diagnosed with lymphoma by funding cutting edge research and providing education, support and access to state of the art treatments that offer cures.

Volunteer Opportunities

Save An Angel offers a wide range of volunteer opportunities including house checks, transports, and evaluations.

Our volunteers are crucial in helping Save An Angel reach our goal of saving the lives of animals.

Pick Up & Drop Off

We are always in need of volunteers who can pick up our animals from vet appointments and community events and drop them off with their fosters.

Other transportation volunteers are needed for long hauls to deliver our animals to non-kill shelters out-of-state.

* Valid driver's license required

Money & Gifts

Donate Funds

Every donation saves a life! Save an Angel depends on generous donations from individuals, corporations, and foundations to fund our programs, supplies, and operational expenses. We provide animals food, shelter, veterinary care, obedience training and the promotion and matching necessary to find a forever family.
